

HOUSE COMMITTEE PROCESS

1

Bill Introduction

2

Committee Referral

The Speaker refers each bill to a Standing or Subcommittee; the Standing Committee Chair can run it, send it to a Subcommittee, or not run it at all.

3

Committee Hearings

(the committee must take action at each step)

6

If the Standing Committee votes to send the bill to the full House, it goes to the floor in a Committee Report.

The Subcommittee votes whether to advance the bill to the Standing Committee; the Standing Committee then follows steps 3-5 with the bill.
